

Extraordinary Designs

Machine Quilting is done on a Nolting Pro-Series 24" Commercial Long-Arm Quilting Machine with Stitch Regulator and the Side Saddle Computerized System. We offer free motion, hand guided pantographs, computerized patterns, and custom quilting services.

Extraordinary Designs is a pet-free, smoke-free environment. We take great pride and special care in others' quilts.

QUILT PREPARATION

**To maximize the beauty of your cherished quilt
top and get the best professional looking finished
quilt, please complete the following steps:**

- * Quilt Top & Backing must be pressed & squared up.
- * Quilt Top & Backing should be flat & square with no wavy edges or puckers. These will result in puckers or pleats on the finished top and/or backing. *(*An additional charge will result if tops and/or backing need to be fixed.)*
- * Please do not baste, pin, or tack the top, batting, & backing together. Keep all layers separate.
- * Identify the top of the quilt and the top of the backing with a safety pin.
- * All loose threads must be snipped from front & back of quilt top & backing.
- * Batting & Backing must be a minimum of 6" larger than quilt top on all 4 sides.
- * Please indicate the preferred direction of your quilt & pattern chosen, if applicable.

A base charge of \$20.00 will be charged if any of the above must be done before quilting. Any additional time will be billed at \$15.00/hour.**

Rush Orders will be subject to an additional charge.
