### T-Shirt Memory Quilts

This is an excellent way to show off those T-Shirts & sweatshirts that you've collected over the years. We specialize in turning those shirts into beautiful heirloom quilts that will be cherished forever.

For the sports fan, how about a wall hanging made from 12 of their favorite sport shirts that they want to show off but don't wear. Why not send a college student off into their new adventure with a "little piece of home" by having their high school activity shirts made into a lap quilt that they can wrap themselves into while studying or feeling a little homesick.

Quilts can be made from the following types of shirts: Pro and/or College sport teams, children's school activities, Harley or other themed shirts, sorority/fraternity shirts, vacation travel shirts, and so on. Basically, any T-shirt with a logo on it will probably work.

To make a T-Shirt Quilt, all you need to do is supply the shirts, and we do all the rest. We will cut, lay out & sew together; add batting and the backing; machine quilt; and finish the edging for a Finished Masterpiece Quilt.

We are honored and proud to offer this service to our customers in our pet-free, smoke-free environment. Please see our website for sample sizes and photos of quilts created. We look forward to turning your stored T-Shirts into beautiful quilting masterpieces.

**Pricing Guide:** \*See website ([www.extraordinarydesigns.net](http://www.extraordinarydesigns.net)) for estimated prices.

### Important Information and guidelines when selecting your shirts:

1. Pre-wash your t-shirts and remove any stains if you can. We do not wash your shirts.
2. If there is a part of your shirt that you don't want used, please put an "X" in masking tape over that spot. Please note: We can try to avoid it if you've chosen the mosaic quilt option but with the checkerboard design that may not be possible.
3. If you do not want both sides of a shirt; please preference which side not to use with an "X" in masking tape.
4. Choose your shirts carefully. These quilts last for many years and there may be a shirt that you don't want your kids or grandkids to see in the future.
5. If you think you will have too many t-shirts for the size quilt you have chosen, then mark you're least favorite shirts with a note to use only if they are needed.
6. If you bring more shirts than needed for your quilt, please let us know what we should do with the extras. *Leftover parts of all t-shirts (sleeves, sides, unused backs, etc.) will be kept by Extraordinary Designs unless specified by buyer.*

Normal turnaround time for T-Shirt Quilts is approximately 3 to 4 weeks.

During high volume periods; time may increase to 4 to 6 weeks.
